SC PIPELINE
COMMISSION

2006 OCT 16 AM 11:41

RECEIVED

Dear Mr. Terreni:

South Carolina Pipeline Corporation (SCPC) received a refund from Transco (Docket No. CP88-391 & RP93-162) in the amount of \$ 153,837.25. We hereby request approval to process this refund through the SCPC October 2006 cost of gas prior to the merger date now scheduled for November 1, 2006. This refund is from Transco's cash out mechanism to their gas cost for the annual billing period August 1, 2005 through July 31, 2006. Based on SCPC's transactions with its customers for this same time period, the refund will be applied to the WACOG customers (90.07%) and the ISP program (9.93%).

SCPC will accrue \$ 553.39 in interest related to receipt of the refund in October 2006. We respectfully request that the Commission approve the application of the total refund of \$ 154,390.64 (including interest) as a credit to the WACOG and ISP program according to the percentages set forth above.

We request that this proposal be considered at the next regularly scheduled commission meeting.

Yours truly,

George Fasano, Jr.
Senior Vice President & Assistant Treasurer
